

# MISSOURI RIVER SYSTEM BOATING ACCESS

Following is a list of boating access sites on the Missouri River System in North Dakota. All sites have a boat ramp, courtesy dock, and restrooms unless otherwise noted. **Due to record low water conditions at this time, access at many of these sites will not be available. Check the North Dakota Game and Fish Department's website ([www.discovernd.com/gnf](http://www.discovernd.com/gnf)) for updated access information, or contact the appropriate managing authority (found in parenthesis at the end of each listing) for boating access status.**
